

Volunteers Needed

Tues., Nov 3, 2009

Voter Hotline 866-OUR VOTE (866-687-8683)

We are committed to protecting voters in “Each and Every Election” by informing voters of their rights, making sure that every vote is counted and every voice is heard. You can volunteer as little as 3hrs or All Day! New volunteers must attend training. Experienced volunteers are not required to attend a training but can pick up their toolkits, receive a briefing on Nov 3rd and then be deployed to their assigned polling site. All volunteers must talk with EP Coordinators before showing up on Nov 3rd. We need attorneys, students, and members of faith groups, non-profits, unions and community organizations to help “Protect The Vote” on Nov 3rd, 2009 in Allegheny County. Our non-partisan effort has been and will be monitoring:

- Voter Purges
- Partisan voter challenges, voter intimidation and deception
- Unprocessed Voter Registrations
- Obstacles to student voting
- Voting Machine problems
- Poll worker training and shortages
- Disability access
- Language barriers
- Voting Machine allocations
- Incorrect use of emergency and provisional ballot
